naveeth

 **SOC Level 1**

Smart India Hackathon  
2024 Finalist · IIT Jammu

 **OWASP Chapter Lead**

 Valid UAE Visa · Oct 2026

## PROFILE

A cybersecurity-focused professional with strong foundations in SOC operations, SIEM tooling (Splunk, ELK), and threat detection methodologies. Hands-on experience through TryHackMe SOC Level 1 certification, CTF competitions, and OWASP chapter involvement. Skilled in log analysis, incident response workflows, offensive security concepts, and Python/Bash scripting for security automation. Eager to contribute proactive threat monitoring and analytical skills to a Security Operations Center.

## EDUCATION

### B.E. in Computer Science & Engineering

**Specialization: Cybersecurity**

**2022 - 2026**

Sathyabama Institute of Science and Technology, Chennai  
CGPA: 7.9 · Expected Graduation: April 2026

## TECHNICAL SKILLS

<b>Operating Systems</b>	Windows · Linux (Kali, Ubuntu) · macOS
<b>Networking</b>	LAN/WAN Setup · Router/Switch Config · Cisco Packet Tracer
<b>Programming</b>	Python · Bash · C · C++
<b>Databases</b>	MySQL · MongoDB
<b>SIEM &amp; Security</b>	Splunk · ELK Stack · TryHackMe SOC Labs
<b>Remote Support</b>	Remote Desktop · TeamViewer · AnyDesk
<b>Documentation</b>	MS Office · Google Workspace · Team Collaboration
<b>Soft Skills</b>	Analytical Thinking · Problem-Solving · Communication · Adaptability

## EXPERIENCE

**Technical Team Member**

July 2023 - Present

## OWASP Sathyabama University Student Chapter

- ▶ Provided technical setup and support during cybersecurity and hackathon events.
- ▶ Configured systems, managed event infrastructure, and troubleshoot network and software issues.
- ▶ Resolved technical errors for participants, ensuring smooth event operations.
- ▶ Collaborated with faculty and industry experts to improve system efficiency for workshops.

## Freelance IT Support

### Self-Employed

Ongoing

- ▶ Set up and configured SOHO networks including routers, switches, and access points.
- ▶ Configured firewall rules and provided guidance on secure network practices.
- ▶ Assisted clients with system diagnostics, troubleshooting, PC building, and device configuration.
- ▶ Performed network logging, security checks, and basic threat monitoring.

## A C T I V I T I E S   &   A C H I E V E M E N T S

---

- ▶ Smart India Hackathon 2024 Finalist (IIT Jammu) — Developed and tested a data recovery solution to restore lost/corrupted files with optimized reliability.
- ▶ OWASP Student Chapter — Supported CTFs and hackathons with technical assistance and security-related initiatives.
- ▶ Python Scripting Workshops — Conducted workshops for juniors focusing on automation and cybersecurity concepts.
- ▶ TryHackMe — Active subscriber with hands-on SOC, SIEM, and threat detection labs completed.

## C E R T I F I C A T I O N S   &   L A N G U A G E S

---

### Certifications

- ▶ System and Usable Security - NPTEL
- ▶ Cyber Security Essentials - NPTEL
- ▶ TryHackMe PreSecurity
- ▶ TryHackMe SOC Level 1

### Languages

- ▶ English — Fluent
- ▶ Tamil — Fluent
- ▶ Hindi — Intermediate
- ▶ Malayalam — Intermediate
